

अखिल भारतीय आयुर्विज्ञान संस्थान, रायबरेली
All India Institute of Medical Sciences, Raebareli

A Hands-On Training On MicroRNA Biology: Basic Course

27/02/2023 to 04/03/2023

Organized by
Department of Biochemistry,
AIIMS Raebareli
Supported by Department of
Health Research
(Under Support to Institute Program)

Patron

Prof. Arvind Rajwanshi
Executive Director
AIIMS Raebareli

Prof. Arun K Singh
President
AIIMS Raebareli

Chairperson

Organizing Secretary

Prof. Niraj Kumari
Dean (A)

Dr Sanjay Yadav
Additional Professor

MicroRNA Biology: Basic Course

About the program

The aim of the training program is to impart hands on experience of working in RNA lab focusing on enrichment, detection and quantification of miRNAs and aware them with MIQE guidelines of Real Time PCR. The training program will also include the hands-on experience of primer designing for miRNAs, *in silico* miRNA target and pathway analysis and development of strategies for experiment planning in miRNA biology.

Eligibility

Faculty members, Research scholars, PG students, Technical Personnel from College/ University/Institute/ Medical College Hospitals and Industry

Program Fee

Rs. 10,000.00 for applicants from Academics

Rs. 20,000.00 for applicants from Industry

MicroRNA Biology: Basic Course

Registration Form

1: Name of the candidate:

2: Sex (Male/Female):

3: Designation with address:

4: Educational Qualification:

5: Contact (Phone and Email):

6: Statement of Purpose (In 100 words, attach separate sheet)

7: Details of payment made for registration:

(Signature of Applicant)

How to apply: Send a request with the filled registration form to syaiims@hotmail.com or mi.RNA@outlook.com by 19th Feb. 2023. Registration fee can be submitted after the confirmation.

Important Dates

Last date of application: 19/02/2023

Program dates: 27/02/2023 to 04/03/2023
